

## UB S-miles to Go Dental Program Coming to Pine Valley!

Arrangements have been made to have the University at Buffalo (UB) Mobile Dental Unit come to Pine Valley April 25– May 6 (these dates are subject to change). Pre-screening will take place in the nurses' offices March 6<sup>th</sup>- 10<sup>th</sup>. UB's School of Dental Medicine has served the oral health care needs of children for 15 years with its school-based mobile dental unit. This state-of-the-art unit features a wheelchair lift, a panoramic X-ray unit, digital radiography, an intake/ education area and electronic patient records. The program is managed by pediatric and general dentists, dental hygienist, UB dental students and dental assistants.

**Students need to sign up annually for this service.** Registration forms are available on line or from the school nurses.

The ***S-MILES TO GO DENTAL PROGRAM*** offers the following dental services for students Pre-K through grade 12:

- A new three-chair mobile dental office that will be parked at the school;
- Examinations, x-rays, cleanings, fillings and other dental services;
- Low fees for patients without insurance; information on financial assistance will be available through the UB Dental CARES Program.
- Acceptance of Medicaid, Family Health and Child Health Plus Insurance Programs;

Further information will be provided to parents in the near future.
