

Pine Valley Census

Please complete the form below and return it to the elementary office. The form is also available on our web site: www.pval.org.

What do we do with the information collected? Who sees it? Census figures on preschool children are used to project school enrollments for the future. Additional information is used to compile statistical reports. Statistical information is available to the public; however, individual resident information is NEVER given out!

Please note that completing this form DOES NOT register your child(ren) for school. Please contact Cheryl Vanzile at 988-3291 ext. 3403 to register students.

Thank you for your assistance.

Pine Valley Central School Census 2016-2017
