## Student Progress Reports/ Report Cards

Since Pine Valley now has the **PowerSchool Parent Portal** for students and parents to look at attendance and grades, Report cards and Progress reports will no longer be mailed home. A parent broadcast phone message will be sent the day the grades are available for viewing (these dates are also listed on the school calendar).

If any parents or guardians are unable to access the Parent Portal, a request can be made by calling the guidance office at ext. 4334.

Special education and SSS reports will be mailed home as usual.
